Dear Paul:

I have enclosed a copy of a letter from Mr. Russell Brittingham, President of Pittsburgh Corning Corporation, relative to your research proposal on inorganic fibrous materials.

Would you please answer the questions he has raised and also send him a contract of the type that was prepared for Pittsburgh Plate Glass Company sponsorship of the project.

Pittsburgh Corning Corporation will provide as much Amosite as you may need for the project.

I would appreciate an information copy of the letter you write to Mr. Brittingham.

Sincerely,

Lee B. Grant, M.D.
Medical Director
