Dear Ryan,

Congratulations on your appointment as Chief of Staff. I became Secretary of Energy at the beginning of President Bush's new administration so I can very much appreciate that this must be a busy time for you and Administrator Pruitt. So thank you for your consideration of this request.

I am on the board of PBF Energy Inc., and on behalf of PBF and other merchant refiners, I would like to request a meeting with Administrator Pruitt on the RFS Point of Obligation. Attendees would include our president, along with other merchant refining executives and likely leaders from labor (USW) and a coalition of small retailers.

We are hoping the Administrator would have some time available in the next few weeks. Please also let me know if you need additional information or have any questions.

Thank you again for your consideration.

Sincerely,

Spencer Abraham
