Q Did you attend?

A I attended the seminar and Dr. Selikoff and Bill Nicholson were in a private meeting which we had in my office.

Q If you could focus on the seminars for a minute, could you describe what types of people were invited to the seminar?

A Well, this is basically the invitation letter, in addition to a research calendar of events. And this was sent to head of Ford medical and the environmental people at World Headquarters, some safety people.

And those are the names I recognize in here along with those people in research who are doing specific studies on particulate emissions.

Q Such as yourself?

A Such as myself.

Q Now, staying with the actual seminar, again, for a minute, what was the subject of the seminar presented by Dr. Nicholson; do you recall that?

A Yes, he provided a -- about a 40 or 45-
