Decoret Enamel

Many a shabby but otherwise useful piece of furniture has been "resurrected" by refinishing with Decoret. Even furniture now in daily use, can be given new life and brightness with this lustrous finish.

Decoret Enamel flows smoothly and spreads evenly. It is so easy to apply, you can obtain wonderful results without experience. Decoret comes in gloss or semi-gloss finish. There are ten shades—brilliant colors and delicate tints, also black and white. Ten intermediate shades can be made by mixing colors. There's nothing like Decoret for furniture and art objects—and even for walls and woodwork where bright, colorful effects are appropriate. If you've never tried Decoret, a new painting experience awaits you! Buy a can *today!*
