II. ACTION ITEMS

A. Publicity on Safety Performance

Need to increase publicity on the excellent safety record the plant has attained. Information will be submitted to the local newspapers, Monsanto World News, and the Texas Chemical Council.

B. Ladder Inspection

Inspection of ladders in the plant needs to be completed by 9/16/85 and verification memos sent to the SHAC chairman by members of the Plant Manager's Safety Board.

C. JSA Training

Job Safety Analysis training has not been completed for all areas. It is expected that this training will be completed by the annual inspection.

D. Third Quarter Inspection

This inspection will be conducted for the plant during the weeks of September 9 and 16.

E. Annual Safety and Housekeeping Inspection

The Annual Safety and Housekeeping Inspection will be an internal inspection this year. This inspection has been set for the week of October 14. Additional information will be disseminated in the near future.
