Subject: RE: July 15 | DEPA Speaking Request

Hello all,

Technical information:

- We have been using the WebEx platform for our webinars.

The presenters can be seen and heard, the attendees cannot.

There is a chat box to send in questions during the webinar - but they are not seen publicly. They are only seen by "the host" DEPA staff.

We can run a test of the platform anytime you would like. If we can have notice at least the day before you'd like to test that would be preferable. We typically do one a few days/the day before the event.

We typically get the presenters' teams on 15-20 minutes early the day of the event to ensure everything works as it did before during the test.

A link will be provided and audio will come through the computer. At this time there is not a call in option.

We do not post or release recordings of these webinars.

Attendees:

- We have a preregistration for this webinar and know who is attending. It is located at www.depausa.org/webinar-events
This webinar is free and open to our membership and occasionally specials guests who have been invited by a board member.

Attendees are verified, and then sent a link will be sent to all of them on July 13 for access to the webinar on the 15th

Our last webinar had 62 attendees.

This webinar will not be longer than 50 minutes.

#1364552.1

We have not, in the past, opened these webinar to the media.

Agenda:

- Welcome Jerry Simmons, Executive Director (3min)
Introduction – Harold Hamm, DEPA Chairman (2 min)
Guest Speaker Secretary David Bernhardt, U.S. Department of the Interior (10min)
Q & A – Jerry Simmons, Executive Director (5min)
Introduction Harold Hamm, DEPA Chairman (10 min)
Guest Speaker – Dave Ernsberger, S&P Global Platts (10 min)
Q & A Jerry Simmons, Executive Director (5min)
**If Time Permits: Jason Isaac, TX Public Policy Foundation
Meeting Adjourns Jerry Simmons, Executive Director (2min)

Let me know if you need any additional information!

We are very pleased to be able to have Secretary Bernhardt on our webinar. Thank you to granting our request.

Leila,

So nice to see your email in my inbox! I hope all is well in DC. We had to cancel our DC Fly-In this year due to COVID, but I'm looking forward to scheduling next year's event.

On July 15th, we are scheduled for 12-1PM ET. Any time within that time frame I can make work on my end.

Thank you for all your help,
Sarah

Hi Sarah! Thank you for your email. Secretary Bernhardt appreciates the opportunity. He is scheduled to be on travel on that day but let me see what we can do. I assume the time of day is flexible?

Thank you!
