Dear Mr. Hauser,

Further to our letter of 22nd March, I omitted to tell you that we have received, very recently, a consignment of 1 lb. samples from you. These relate to fibre/scrap/dicolite mixes, from Nos. 1, 2 and 3 lines over the period 17th December, 1970, to 12th January, 1971. We are putting these into the testing pipe-line now, and will be sending you a report in due course.

Yours sincerely,

A. A. Hodgson
