FOR THE *Smoothest* SORT OF INTERIORS

RECESSED EDGE

SHEETROCK

FIREPROOF

WALL AND CEILING PANELS

That's the way to assure yourself smooth and beautiful walls and ceilings. Either plain or pre-decorated SHEETROCK, in wood grained finishes, can be put up easily and quickly right over old wallpaper, etc. if desired. Won't warp or buckle. Economical. Available here and now. *Drop in and see our display.*

Sheetrock and Perf-A-Tape are trademarks owned by United States Gypsum Co.
