Michael,

While looking through your file the other day, I noticed we still had not signed the contract for your services in the formation of the Anniston plant Community Advisory Panel. I apologize and hope this has not caused you any inconvenience. You and I had discussed a few changes Monsanto wished to make to the contract which are incorporated in the attached documents.

Jack Mayausky has signed both originals. Please do the same, then return one of them to Jack for our records. If you have any questions, please call me at 314-694-2915.

Thanks for your patience.

Sincerely,

Diane Herndon
