Dr. Gary S. Kleppel
Louis Calder Conservation &
Ecology Study Center
31 Whippoorwill Road
Armonk, New York 10504

Dear Dr. Kleppel:

You may wish to discuss supply of small samples of Aroclors, for phytoplankton studies, with Analabs, 80 Republic Drive, North Haven, Connecticut 06473, Phone 203-288-8463. They have available small quantities of Aroclor 1254 and 1016 for research purposes.

Sincerely,

D. Wood
Market Manager
Heat Transfer and Process
