Hi Millan,

Great, attached is the EPA slide only, if there are any edits to the location of the logo.

Thanks!
Marc

Hi Millan,

Thank you for your message.

Please find attached the PPT that will track the speakers while they are on stage. Will EPA bring a pop-up banner to be on stage during his remarks, or would you like us to add the EPA logo to the slide?

Happy to edit.

Thanks,
Marc

Marc,

Hope you're well. We met last week during the walk through at the State Department. I serve on the Administrator's advance team. Carol Lynn reached out to ensure I had your contact info regarding any PowerPoint slides. The Administrator will not use slides but I know we discussed having his name displayed. Kindly let me know if there is anything you need from me on this front.

Thank you,

Millan
