Congratulations on being selected to attend the Industrial Safety Seminar for First Line Supervisors. I am sure that you will find this a very interesting and informative day. The speakers are not only excellent and well versed in their field, but are enthusiastic about it.

Attached is a synopsis of the seminar. Note that registration will be from 7:45 to 8:15 a.m. and lunch will be provided. You have been pre-registered for the course so during registration all you will have to do is pick up your name tags and other paraphernalia.

The seminar will be held at the Hobby Airport Hilton, which is located almost directly across from Hobby Airport (you take the Airport Boulevard exit from Interstate 45).

Again, I am glad to see that you have been selected for the seminar and know that you will find it to be an informative day. If you have any additional questions, please contact me.
