Headquarters for Building Alterations and Repairs

If you want to:

—Build that additional bathroom or sleeping porch.
—Close in your front porch
—Replace your electric fixtures with the newest style
—Repair with the beautiful asbestos shingles
—Paint your house
—Remodel, repair, or BUILD ANYTHING AT ALL

We Can Assist You!

—By helping you plan your alterations
—By drawing your plans and getting bids—prices to work from.
—By directing you to competent workmen whom we have found to be reliable.
—By assisting you in arranging financial aid.

Finally, by supplying all materials necessary for a satisfactory job.

WHY DELAY THIS WORK LONGER?

Write or phone for our representative to call at your convenience.

MONARCH

100% Pure Paint

ANALYSIS OF PIGMENT

Carbonate of White Lead	44.4
Zinc Oxide	33.3
	100%

ANALYSIS OF VEHICLE

Linseed Oil	81.7
Turpentine	9.3
Japan Drier	9.0
	100%

NOTE—Except for a few dark colors that cannot be prepared from pure lead and zinc alone, colors in Monarch Paint are made from the same formula as outside white with the addition of sufficient pure color pigments to produce the various shades and tints.
