Dear Mr. Meikle:

Confirming your telephone conversation of July 25, 1972 with our Mr. Shimley concerning the Incineration of your Pydraul 312A fluids, I am enclosing one hundred (100) pre-addressed labels marked "disposal only". You will need to clearly indicate the drum contents on each label.

We request you use return drums that meet DOT 17E Specification (55 gallon drums, 18 gauge minimum, 2 bung head; 5 gallon drums, 24 gauge minimum) to prevent leakage. The outside of the return drums should be free of fluid material.

Please ship these drums freight prepaid to:

Monsanto Company
Department 246, Incinerator
Sauget, Illinois 62201

We will invoice you for 3¢/pound for incineration. Please advise if you want us to invoice against a specific purchase order.
