Hi Ladies,

Not sure what your timeline is for folks to get proposals to you but I was just visited by SBPA and learned that July 10<sup>th</sup> is too late to receive our input. ☹️ I will need to work with them to get this portion of the FY2019 Agency request approved by the Chief's office by tomorrow in order for SPBA to get NRE approval by July 10<sup>th</sup>. So please submit your proposals to me as soon as you can—by midday tomorrow if at all possible. I will be in a deputy chief's office retreat from Noon to 4 tomorrow, but can be available by email or text so please let me know how I can help.

Thanks,

Good Afternoon Everyone,

I just wanted to share the latest draft of our strategic objectives. Again, these objectives are still subject to change. Please use these objectives as you are developing your agency performance measure proposals for the strategic plan. A friendly reminder, draft performance measures are due July 10<sup>th</sup>.

As always, let me know of any questions. Have an awesome 4<sup>th</sup> of July.

Cecilia
