information in these warnings, do you think they should of?

A Let me see what we said.

Q Well what I'm going to do is I am going to hand you what was marked as Exhibit 14 to Mr. Laycock's June 2002 deposition, which is a copy of the 1977 Automotive Data Book.

A Is that the first year that the notice appeared in there?

Q Yes, sir. First of all, I am going to ask you, do you recognize that as the 1977 book?

A Yes.

Q And that was Plaintiff's 14; right?

A What's that?

Q That was marked Plaintiff's 14 on the cover?

Q So is that what it says, sir?

A Plaintiff's Exhibit 14.

Q All right. And the one page warning that we are talking about appears on the last page; right?

A Yes.

Q Take a look at that for a moment.
