Miami, Florida 33161

Subject: Asbestos Labeling

Dear Dick:

Your suggested warning label has been reviewed, and discussed further with our attorneys. They submit the following wording:

"CAUTION: This product contains asbestos, which may be harmful to lungs if inhaled."

We ask your formal approval, as we are making these changes for the next printing of SprayDon bags.

Yours very truly,

UNITED STATES GYPSUM COMPANY

D. K. Diersen, Sales Manager
Industrial Wool Sales
