

For Many Types of Finishes For All Kinds of Surfaces

paint made with Dutch Boy White-Lead

PAINTERS everywhere find that pure white-lead—like Dutch Boy white-lead—serves them in many ways.

Washable interior wall paint... undercoatings for enamel and for Tiffany blends... any one of a thousand different tints... flat, eggshell and gloss finishes... durable, economical paint for wood, plaster, masonry, wall board or metal... blended or mottled effects... plastic paint that gives the new low-relief textures—any of these you can get with Dutch Boy white-lead. It is the all-purpose, all-round paint material—the skilled painter's stand-by.

Obtainable in both heavy paste and soft paste form. Sold by the pound in 100 pound steel kegs; also 50, 25, 12 1/2 pound steel pails. As a guarantee of purity, the Dutch Boy trademark is on every package.
