Matt,
OPP has provided some information on Sharda's submission for the MyPest App. It appears that they requested access for two organizations on 21-Feb-2025. An email was sent back requesting additional information because the agent was not identified as the official Sharda contact in EPA's database. Attached is information to apply for MyPest, pages 12-13 is most relevant for Sharda's situation. If additional assistance is needed, Sharda can contact Dan Schoeff at schoeff.daniel@epa.gov.
Regards
Lynn
