When You Need Paint

When you need paint materials for any work—painting, staining, enameling, varnishing—of kitchen floor, furniture, the whole house, or anything in it, go to the nearest dealer's and ask for the

ACME QUALITY

kind of paints, enamels, stains, varnishes.

Let us send you a copy of "The Selection and Use of Paints and Finishes"—the new text book. If your nearest dealer cannot supply you with the "Acme Quality" kind, we will.
