A That is right, sanding four brake shoes.

Q Sanding four brake shoes.

Based upon your deposition last week, I understand that the activity actually took approximately 10 minutes; is that right?

A That is correct.

Q Is that 10 minutes from the start of the sanding until the end then?

A It was approximately like that.

Q Were you the person who determined how long the sanding would actually take place?

A That is correct.

Q Okay. How did you choose 10 minutes?

A It was what was listed in the deposition by Mr. Grewe.

Q I believe I had an opportunity to look at that transcript over lunch, and I believe that he said it would take approximately five to ten minutes; is that right?

A I believe so, yes.

Q Okay. If you had tested for only five
