AIR ROUTES EXTENDED

CANBERRA, Australia, (U.P.) — The government is planning new air routes linking Australia with New Caledonia, New Hebrides and the Solomon Islands, as well as extending regular air service to the Fiji Islands.

WRONG STATION

COLUMBUS, Ind., (U.P.) — Dr. P. A. Williamson thinks the thief who broke into his office may have wound up with a hot-foot instead of entertainment. Someone took his portable foot-massage machine. The contraption looks like a radio set.

INDIANS PROTECT VETS

ANADARKO, Okla., (U.P.)—A special account to be used in making loans to war veterans of three Indian tribes in Oklahoma, is being planned by the inter-tribal council of the Kiowa, Comanche and Apache Indians. The council asked the Federal Indian Bureau in Chicago to transfer $50,000 from tribal funds to the special account.

Addition of about three per cent asphalt emulsion to standard concrete floor mixture is said to increase the shock-absorbing qualities of the finished concrete.
