Dear Dr. Hunt:

Re: IBT No. B5313 - 90-Day Subacute Oral Toxicity Of Aroclor 5460 - Albino Rats - BTL-67-12

Enclosed please find three copies each of our revised pages 24 and 29 in connection with the above study, dated October 18, 1967.

Please substitute these pages for the ones you presently have in your copies of the report.

Very truly yours,
