Interoffice Letter

GO FOR #1

To: MATERIALS SPECIFICATION DISTRIBUTION LIST

Date: OCTOBER 25, 1988

From: MICHAEL S. WALKER Extension No.: 8098

Office: MATERIALS ENGINEERING Location: 66-1

Subject: OBSOLETION OF MS-51/A

The subject material specification is being obsoleted due to a significant increase in customers requirement that materials be asbestos free.

Please refer to Material Specification 8101 (Index 1A).
