The 1st Quarter Safety & Housekeeping Inspection for Dept. 44/45/46 was conducted by the inspection team of R. L. Hammond, Don Lonsford, George Orum, Thurman Payne, and Rick Sharp on January 24. The department was given an "excellent" rating.

Safety

1. Attitude of personnel talked to was positive and cooperative.
2. Department had been presented the 1985 Safety kick-off meeting.
3. Safety equipment - very well kept and in good condition.
4. Breathing air manifolds well protected.
5. Handrail on east side of reformer needs to be bolted together. At present bolts are replaced by wire.
6. Ladder on south end of the 3rd deck of the reformer needs inspection.
7. All hoses and fire extinguishers have current inspection dates.

Housekeeping

1. Control room and offices very well kept.
2. Need to consider a hose rack on the 3rd level of the reformer.
3. Housekeeping very good.

Please respond to this inspection in writing to Jim McPhail with a copy to Doug Barfoot by 3/4/85.
