Hi Hannah – I just wanted flag some items I had sent over to your team a while ago. Reason being that Bill visited the site of the project in Saugatuck, MI (GRANT14342772) this past weekend and local media is starting to cover it. Again, just wanted to flag that we're tracking this one and we're standing by to be helpful if you all have any questions about either of the two. Thanks!

Best,
Remy

Hello – I'd like to highlight a couple BUILD grant applications from Michigan's 4th District that were submitted with letters from Rep. Huizenga.

1. Protecting Lake Michigan's Shoreline Communities: Reconnecting Lakeshore Drive
 - a. Tracking Number: GRANT14342772
2. 2025 BUILD – Lake Center Corridor Complete Streets Improvements
 - a. Tracking Number: GRANT14344872

These are the types of projects that constituents in these communities have been waiting on and counting on for a long time. They would have significant positive impacts if approved. Thank you for your attention to these items, and please keep me updated on their status.

Best,
Remy Fortin

Hello –

Who would be the best staff POC for me to connect with to flag BUILD grant applications in our district? Thank you.

Best,
Remy
