

1 What they didn't tell you is that no one got
2 cancer. Not one of their animals got cancer, and the
3 study was published. Nothing was hidden from
4 anybody.

5 Keep that in mind throughout the trial.

6 That is basically what happened with Owens-
7 Corning.

8 Again, there is other documents, and, again,
9 I am not going to go through all of them right now.

10 1966 Owens-Corning has been making the stuff
11 since '58, has been selling it since '53, and here are
12 some more internal memos that you are going to see.

13 August of 1966. You can't see it.

14 Paragraph number 3.

15 The Berlin plant, and Kaylo was made in a
16 place called Berlin, New Jersey. That is where they
17 manufactured it.

18 Owens-Corning had about 15 or 16 plants
19 around the country that made fiberglass and the one
20 plant made the Kaylo.

21 1966, here is what is going on, talking
