Dear Fred:

It is my pleasure to recommend Lawrence A. Mauerman for full membership in AIHA. I have know and worked with Lawrence since 1982. His knowledge, capabilities, and experience in the health and safety profession certainly qualify him for full membership. Lawrence is active in state and local hazard communication activities as well as his normal plant activities. Lawrence and AIHA would mutually benefit from his membership.

Sincerely,

Thomas G. Grumbles, C.I.H.
Environmental Quality Manager
