In Christy Beckmann's and Kevin Cahill's absence, I am seeking your approval of a contribution by Solutia Inc. to the Carondelet Community Betterment Federation, Inc. (CCBF) in the amount of $17,500. This was originally budgeted as part of the Carondelet plant's allocation from the Solutia Fund budget. However, the contribution needs to be made by the corporation in order for Solutia to receive tax credits under the Neighborhood Assistance Program (NAP). I have been advised that the check must be cut no later than June 30 (tomorrow).

Kevin Cahill advises that the CCBF directs its efforts toward neighborhood preservation and provides social services to the elderly and low income members of the community. Monsanto contributed to the CCBF the past several years.

Action Requested: Please sign below to signify your approval of a corporate contribution in the amount of $17,500 to the Carondelet Community Betterment Federation. Also please sign the attached check request and ask Barb to return both documents to me.

If you have any questions, please give me a call.

Karen
