able fracture of the left shoulder and bruises.

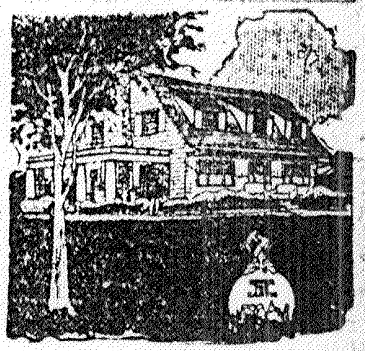
Antonelli was attempting to open windows in the elevator shaft, conceived the idea of riding on the top of the car and using them as he passed. He told the operator to let the cage down slowly. He opened two successfully, but the third stuck, and the elevator kept on descending, Antonelli hanging to the window sill. He called to the operator to reverse the car, and he was safely ascended.

v. Lutz Returned To Oakland Church

Milton C. Lutz was returned pastorate of the First Church United Brethren in Christ, by the action of the California Conference of the United ren, in session at Whittier last Rev. H. A. Bowling of Pasa was reelected as superintenof the conference.

Lutz will spend a short va- in the south. His pulpit will by Rev. O. P. Harnish next morning and evening.

ousted A. H. Proctor, who was Carpenter's protege.



For Shingled Roofs

And all Shingled Parts of Buildings

Sherwin-Williams Preservative Shingle Stains produce the most artistic and durable effects. The rich warm shades in the line cover every possible combination desired for this purpose and lend themselves readily to decorative schemes.

SHERWIN-WILLIAMS PRESERVATIVE SHINGLE STAINS

made with Creosote, penetrate the wood thoroughly, which not only gives the most lasting effects but also increases the value of the stains as a wood preservative.
