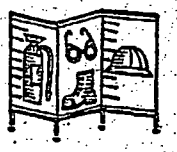
PLAN NOW TO ATTEND THE



1964 1965 1966 1967 1968

NATIONAL SAFETY CONGRESS

OCTOBER 26-29, 1964/CONRAD HILTON HOTEL, CHICAGO

The Congress is always a big week, a worthwhile week for the 10,000 safety people who attend.

At the '64 Congress you can meet other safety people, with the same problems and responsibilities as yourself. You can exchange views and ideas on accident prevention, health, hygiene, and fire prevention . . . on safety in industry, traffic, school, at home and on the farm.

You can see the largest of all safety equipment exhibits at the Congress . . . an opportunity for you to make well-informed buying decisions for your company.

This four-day educational program, planned and presented by the National Safety Council, can be your most thought-provoking, most worthwhile safety experience in 1964.

Make plans early to attend the 1964 Congress and bring the other people in your organization who have safety responsibilities.

FUTURE CONGRESS DATES	
1965	October 25-28
1966	October 24-27
