Material Safety Data Sheet

Inc. requests that users of "Calidria" Asbestos study this data sheet to become aware of the :t's hazards, and promote safe handling of the product by making this information available to .mployees, agents, and contractors. If the material is resold, KCAC Inc. requests that the :haser be furnished a copy of this data sheet and advised to provide the information herein to ·s employees, agents and contractors.

Calidria®
ASBESTOS
A PRODUCT OF KCAC INC.

SECTION I PRODUCT IDENTIFICATION

Product Name: CALIDRIA® ASBESTOS	C.A.S. Numbers: 1332-21-4; 1309-38-2
Chemical Name: Chrysotile Asbestos	Formula/Composition: $Mg_6(OH)_8Si_4O_{10}+Fe_3O_4$
Synonyms: Asbestos, White Asbestos Hydrated Magnesium Silicate	

SECTION II PHYSICAL DATA

Sizes: 3/8" pellets to powder	Solubility in Water: Very slightly soluble
Specific Gravity: (H_2O=1) 2.45 approximately	Melting Point: °F (°C) Dehydrates above 1112 (600)
Odor: None	Boiling Point: °F (°C) Not applicable
Appearance: White fibrous solid or pellets	Vapor Pressure: Not applicable
: Density: 15-45 lb/ft^3, as packaged (depends on product form)	Percent Volatile: Absorbed H_2O 1-4% by weight Structural H_2O ~13% by weight
olecular Weight: Not applicable	Evaporation Rate: Not applicable

SECTION III HAZARDOUS INGREDIENTS

Material or Component (CAS #)	Weight %	PEL Data (TWA Unless Noted)
rysotile Asbestos (1332-21-4)	95-98	0.2 fibers/cc longer than 5 μ (1) 2 fibers/cc longer than 5 μ (2)(3) 10 fibers/cc longer than 5 μ, ceiling (2)
gnetite Fe_3O_4 (1309-38-2)	0.5-2	None established (1)(2)(3)

M.I.S. Rating Numbers
alth: * (Possible Chronic Effects)
ammability: 0
activity: 0

ferences: (1) OSHA Regulation (2) MSHA Regulation (3) ACGIH

rgency CHEMTREC Telephone: 800-424-9300

PLAINTIFF'S EXHIBIT ECC-25

, Inc.
keting/Sales: 500 Sugar Mill Rd., Suite 180A, Atlanta, GA 30338 Telephone: 404-992-4957
Plant: P.O. Box K, Cattlemen Rd., King City, CA 93930 Telephone: 408-385-5961

SECTION VIII SPECIAL PROTECTION INFORMATION (Continued)

Personal Protective Equipment:

Respirators: Where asbestos exposure in excess of the PEL is anticipated, wear a NIOSH/MSHA-approved respirator, as follows: up to 10 times the PEL - half-mask air-purifying respirator with high-efficiency filters; up to 50 times the PEL - full facepiece air-purifying respirator with high-efficiency filters; up to 100 times the PEL - powered air-purifying respirator with high-efficiency filters or supplied-air respirator operated in continuous flow mode.

Eye Protection: Goggles are recommended. Follow Safety Rules.

Gloves/Clothing: Gloves are recommended during handling.

Other: For concentrations in excess of the OSHA PEL, special clothing, such as coveralls, whole-body clothing, head coverings, gloves, and foot coverings, are required under CFR 1910.1001.

SECTION IX SPECIAL PRECAUTIONS

Precautionary Statements:

WARNING CANCER HAZARD

Breathing asbestos dust can cause lung damage and cancer. The risk of lung cancer is greatly increased for smokers.

Do not create or breathe dust.
Do not dry-sweep or use air hose for cleaning.
Do not take protective equipment or clothing home.

Do follow recommended work practices.
Do wear approved respiratory protection and protective clothing as required by applicable regulation.
Do use vacuum or wet cleaning methods.
Do dispose of dust, friable waste materials and contaminated protective equipment in dust-tight containers.

FOR INDUSTRIAL USE ONLY

Precautions for Handling and Storage: Store asbestos in closed containers (dust-tight) in a clean, dry, secure area. Protect containers from damage. Do not open containers in a manner that can release dust without providing proper enclosure or control measures. Use dust suppression control measures at all stages of asbestos handling, use and disposal. Follow good housekeeping practices to prevent accumulation of asbestos-containing dusts. Avoid inhalation of asbestos.

Other Information:

Material Listed as Carcinogen in:

National Toxicology Program Annual Report (NTP): Known carcinogen.

International Agency for Research on Cancer (IARC): Group I - Carcinogenic to humans.
