Forward to a colleague

Millan, as part of a very select group of customers, I'm pleased to invite you to attend a virtual Executive Briefing with Anthony Deighton, Chief Technology Officer and Senior Vice President of Product Development at Qlik.

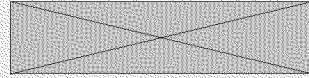

At Qlik, we have one simple guiding belief. *Business Intelligence is optimized when you harness the collective human intelligence across an organization.* Anthony will share Qlik's 3 big ideas around **data, cloud and augmented intelligence** that are driving our research and investments and that will ensure Qlik continues to lead and disrupt the business analytics market, while at the same time keeping people at the heart of the decision making process.

During the 90-minute briefing, there will be opportunity for you to ask questions.

Don't miss out! Register today.

**Join us for a
special Executive
Briefing.
September 26 @ 2
PM EST.**

Hear directly from Anthony Deighton on the core belief that is driving Qlik's product roadmap in the areas of data, hybrid cloud and AI.
