Accident Prevention Department - Maryland Casualty Co.
Baltimore, Maryland 21203

Subject: File 11910

Dear Mr. Schmidt:

This will acknowledge your letter of December 11, 1964, regarding our contacting Dr. Woodrow Nelsen of Libby, Montana, to secure x-ray plates or radiological reports for Dr. Chenowith. I am sorry there has been a delay in securing the material desired. In my letter of October 30, 1964, to Dr. Robert F. Chenowith, M.D., I suggested that he contact Dr. Nelsen directly for the data he required. Until I heard from Dr. Nelsen on November 20, 1964, which prompted my letter of December 11, 1964, I did not know what action was being taken by the Maryland Casualty Company.

This matter has now been handled. Mr. J. A. Kelley, General Manager, called Dr. Chenowith from Libby, Montana, to learn exactly which records were desired. Mr. Kelley then met with Dr. Woodrow Nelsen in Libby and arranged for the forwarding of the desired records. Mr. E. Lovick, [redacted] of the Libby operation, today will handle the packing and shipping of the records.

CONTAINS CONFIDENTIAL MATERIAL SUBJECT TO PROTECTIVE ORDER IN MARYLAND CASUALTY CO. V. W. R. GRACE & CO. ET AL. NO. 85 CIV. [illegible] (LIBBY)

Very truly yours,
