Re: **Ronald Falls, et al. v. Owens Corning, et al.**

Dear Dr. Egilman:

This is to confirm our telephone conversation of Thursday, Octocber 14, 1999, regarding your website as it relates to asbestos defendants. The attorneys for Allied Signal have requested that you re-install your website as it relates to them because they would like to review those documents in preparation for our trial. I have confirmed this request with Norman Hamill of the Gordon & Rees firm.

Thank you for your attention in this matter.

Very truly yours,

Philip A. Harley
