Our File No. -

Please note we have assigned the above file number to this matter.

Per our conversation, I would appreciate your sending me copies of physicians' certificates pertaining to [redacted] illness; his work history record; employment application and pre-employment physical exam; and records of prior disability (part. to respiratory); and a record of Company disability benefits paid subsequent to his last work date. We would like to expand our file on this potentially significant claim.

Although the facts indicate there may be a substantial question regarding our liability under the Workmen's Compensation Act, we have already notified Liberty Mutual of our interest in the defense of this claim.
