SANTA CLARA, Sept. 7.—Approximately 85 students in the College of Law at University of Santa Clara were enrolled today as the school opened registration for the 1950-51 academic year.

Registrar David P. Arata said registration of between 270 and 300 freshman students will begin Friday. Classes for law students open Friday also.

Number of students who are veterans is markedly decreased in the freshman candidates, and only a few remain in upper division and law school, the registrar said.

He added that a large number of late registrants is expected this year because many Santa Clarans were on Summer vacation pilgrimages to Rome—this being Holy Year.

Classes begin on Sept. 13.

Happy Is The Day When Backache Goes Away . . . .

As we get older, stress and strain, overexertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief — help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

SUPER KEM-TONE forms such a tight, impervious coating that, unlike ordinary flat paints, dirt cannot penetrate its lovely finish. Dirt washes off easily

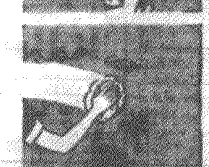
SUPER KEM-TONE gives you practically an unlimited range of gorgeous colors, from lovely light shades to beautiful, new, easy-to-use deep tones. And they all go on easily and uniformly with brush or Roller-Koater, over almost any interior surface, including wallpaper.

DIRT JUST CAN'T GET A "FOOTHOLD"

SUPER KEM-TONE'S tight, non-porous surface, a new achievement of paint chemistry, prevents dirt from penetrating.

EVEN INK WASHES OFF EASILY

Spatter ordinary ink on it—instead of soaking in as on ordinary flat paints, it remains on the surface and is easily washed off.



SCRUBBING DOESN'T HARM IT

*Tests show SUPER KEM-TONE will withstand repeated washing with the usual household paint cleaners without impairing its beauty.
