MEMORANDUM

Mr. H. G. Tigh
Houston, Texas

In compliance with your request of February 15, 1965, above subject, we are attaching letter from Dr. P. C. Noble concerning the health status of Messrs. T. J. Scoggins and Warren H. Cornwall. Both of these individuals are employed regularly as Insulators at this location.

For your further information, the following may be of interest:

T. J. Scoggins (Age 42) - Employed 11-10-58 as Insulator. According to his application for employment he has worked as an Insulator since September 1951, at least.

Absentee Record:

1958	0 days	
1959	6 days	(sickness)
1960	0 days	
1961	12 days	(sickness)
1962	9 days	"
1963	23 days	"
1964	10 days	"
	34 days	(non-industrial accident)
1965	0 days	

Warren H. Cornwall (Age 44) - Employed 9-22-58 as a Laborer; in the Insulating Department since June 29, 1959.

Absentee Record:

1958	1 day	(sickness)
1959	3 days	"
1960	5 days	"
	12 days	(industrial accident)
1961	5 days	(sickness)
1962	15 days	"
1963	5 days	"
1964	1 day	"
1965	3 days	"

Re: Thomas Scoggins
Warren Cornwall

Dear Mr. Holley:

I have carefully reviewed the medical records of the above men since their employment in 1958. Neither man has had an unusual number of days off due to illness and there is nothing to suggest a relationship between their illnesses and their work as insulators.

Truly yours,

P. C. Noble, M.D.
