MOTHER
the Priceless
GIFT of
BETTER
HEARING

If Mother's hearing is slipping, think of a Sonotone hearing aid for her. This Mother's Day.

Whether she's at home or has a job (as so many women do today), she needs to be heard. It means enjoying herself with friends, at family gatherings, at church, anywhere she goes.

All the latest Sonotones are worn entirely at the ear, including slim eyeglass models.
