Allen Wardwell, Esq.,

New York, N. Y.

Dear Mr. Wardwell:

I enclose herewith a copy of the United States Public Health reports for January 4, containing an article on asbestos which I think will interest you. I feel that the asbestos industry is to be congratulated for the progressive and far-seeing manner in which it has handled this matter of health hazards in their plants and for consenting to have this report published. I think you will agree with me that the Public Health Reports publication gives this piece of work an authoritative and dignified presentation.

With best regards,

Sincerely yours,

A. J. Lanza, M.D.
Assistant Medical Director
