Perpetuating the Historic Heritage of Carondelet

Mr. Jerry Bishop, Manager
Monsanto, Carondelet Plant

Dear Mr. Bishop:

On behalf of the Board of Directors of the Carondelet Historical Society, I thank you for Monsanto's generous donation to be used toward the restoration of the Susan E. Blow kindergarten room at the Carondelet Historic Center (formerly Des Peres School).

While ongoing maintenance of the Center has, of necessity, consumed much of our budget, the kindergarten restoration has always been one of our most important goals. During the past five years, over $17,000 has been spent for the advancement of the kindergarten restoration. Without the support of the community, this would not have been possible to achieve. We are most grateful for Monsanto's past donations to the Center as well as this most recent contribution designated for the custom crafting of reproductions of the kindergarten benches.

We hope you will be able to join us on October 18th, for the Carondelet Historical Society's 20th anniversary celebration. We will keep you informed as plans develop for this event.

Gratefully,

CARONDELET HISTORICAL SOCIETY
