January 10th, 1935.

Dr. A. J. Lanza,
Metropolitan Life Insurance Company,
New York, New York.

Dear Doctor Lanza:

I am attaching copy of circular which we sent out yesterday regarding the Silicosis Meeting on January 31st.

I received a note in this morning's mail from Dr. Leroy Gardner in which he stated you have indicated to him that you could not be present on January 31st. I hope that there may be some misunderstanding.

In your telegram of January 4th you indicated that any date during the week of January 27th would be acceptable. In my reply of the seventh I indicated that we were accordingly arranging the meeting for January 31st. In view of this circumstance and in view of the fact that our announcements have gone out I earnestly hope that you will arrange your plans to be with us on that date. With assurance of our genuine appreciation of your cooperation in this matter, I am,

Cordially yours,

James L. Downing
Executive Vice-President.
