

1 at Foreign Motors?

2 A Fomoco.

3 Q If you know, where would Foreign Motors
4 purchase the brake lining material that you would
5 install on cars?

6 A Mostly we bought them from the dealers for
7 the cars that we would be installing them on.
8 Sometimes at parts houses.

9 Q To your knowledge, what are some of the
10 dealers that Foreign Motors bought brake lining
11 materials from?

12 A You mean Chrysler, Ford, Chevrolets,
13 Buicks.

14 Q Let me ask you, how could you identify a
15 brake lining manufactured or sold by Borg-Warner as
16 opposed to a brake lining manufactured or sold by
17 Fomoco?

18 A Mostly the boxes that they were packed in.

19 Q And what is it about the boxes that would
20 tell you a Borg-Warner from a GM from a Chrysler?

21 A They would all be written on the boxes.
