SUBJECT: MEMO OF SEPT. 4, 1981 TO MOLLIE HARRISON, MOUND FACILITY (513/865-3382)

REFERENCE:

TO PCB File

September 11, 1981--Mollie Harrison of the Mound Facility called for permission to forward the "Transformer Askarel Inspection & Maintenance Guide" to a Mr. Bill Bennett of the National Institute for Occupational Safety and Health.

September 14, 1981--I returned her call to inform her the "Transformer Askarel Guide" should not be forwarded to Mr. Bennett, and if he had any questions he should contact John H. Craddock of Monsanto.
