I believe the current letter adequately signals **Ex. 5 Deliberative Process (DP)** I don't believe Aaron has seen the letter but was reacting to a question from me about how clear to be in the reconsideration letter about (b) (5)

Thanks for the report-out and update, Jonathan.

Lea and Amy, please let us know about edits to the letter responsive to Aaron's question; once that is settled, we can finalize the letter and put it into the correspondence system (Quill) for OAR signature.

Best,
Marguerite
