Also sent FYI: - Charlie Love
Ken Hinemann

For your information, the PCB silo case in Bad Axe, Michigan has gone to the jury. A verdict could come down at any time.

Attached are preparedness statements we intend to use to respond to media questions -- based on the three scenarios indicated.

This material has been reviewed and cleared with John Craddock and Joe Nassif. I will be the corporate-wide press contact.

DRB.

Dan R. Bishop
