Dear Debbie:

Effective with the next production run of all MONOKOTE bags (MK-4, MK-5, MK-5(SG), we would like to eliminate the wording listed below which appears on the front of the bag to the right of the "GRACE" logo underneath the MONOKOTE fireproofing nomenclature. (See attached example.)

"This product meets the requirements and is in compliance with regulation 40 C.F.R., Chapter 1, Subsection 61.22E, promulgated by E.P.A. on April 6, 1973, U.S. Patent: 3719513".

Please acknowledge receipt of these instructions by signing and returning one copy of this letter to my attention.

Sincerely,

Jane A. Behan
