A Yes.

Q Okay. We will come to your work in a minute, but I would like to ask you: Prior to getting involved in this research, did you check to see whether other researchers had done work on this topic?

A Oh, certainly. You don't want to go in and try to do something that has already been done.

Q And what did you find?

A There was a report that had been done from a fellow from the Public Health Service, Jeremiah Lynch. Dr. Lynch published his report, I think, in 1968.

There was some work done by Ford Motor Company in England by two people that were published in 1969.

Q Would that be --

A Hackish and Knight. In fact, there is a paper by Hackish and Knight, Knight and Hackish, and I think Hackish alone.

Q Just briefly, can you describe the work that
