—It is the oldest brand of absolutely pure lead, zinc and linseed oil paint manufactured in the United States; its formula complies with all pure food, drug, oil and paint laws.

- GET THIS—
- by the gallon when prepared ready for application,
 - by the pound as it comes from the can,
 - number of square feet each gallon covers,
 - the number of years it will wear and protect your property.

MONARCH 100% PURE PAINT IS THE MOST ECONOMICAL PAINT MATERIAL YOU CAN PURCHASE IN SAN DIEGO.

The following features distinguish and immediately prove the superiority and greater economy of MONARCH 100% PURE PAINT.

- (1) 100% purity formula subject to chemical analysis appears on each can.
- (2) Extra heavy body; white and light tints weigh 18 pounds per gallon.
- (3) Covering capacity; spreads with a heavy protective body 400 square feet per gallon for two coats; requiring a less number of gallons per coat.
- (4) Reduction Properties; its extra heavy body, combined with absolute purity, permits being reduced with half gallon pure linseed oil to each gallon paint.

As a result of its 100% purity MONARCH PAINT will more effectively resist the destructive influence of salt air atmospheric conditions so prevalent in this climate than any other brand of paint sold on the Pacific coast.
