officers and employees must so conduct their private affairs as not to allow themselves or the county to be in positions open to criticism."

The report indicates that all that Mr. Stallings was guilty of was placing himself in such a position.

We join the county board in hoping that it doesn't happen again, for Stallings has the equipment and the ability to do a tremendous job for San Mateo County — and does it need a tremendous job!

● Certainly, we'll deliver any item from our stock. Just telephone your needs for sickroom supplies, baby requirements, first aid items, etc. And, it is well to remember that we call for prescriptions and deliver the carefully compounded medicines. There is no extra charge.
